

Dear praying Friends and Supporters:

This year has flown by fast and it has been encouraging to see all that God has done in Ecuador and Honduras with the evangelistic/medical/dental caravan ministry.

November 15-24 is my last trip for this year and I am looking for God to do great things on this trip. Victor told me that we would be visiting another one of his church plants in a place called La Lima to encourage a struggling pastor and his church as he is getting the word out to outlying communities to attend our clinic. We have been invited to help the 600 hurting inmates in the Penitentiary in the town called Gracias Lempira. I ask you to begin even now to pray for our outreach on this trip. God has provided me with a full team. Jesse and Amber Boggess have been on quite a few mission trips with me and they are going to bring their family of four children to join us. I am so encouraged to see a family instilling missions in their children. I would like you to put Amber on your prayer list as she is suffering with lower back/tail bone pain that God would heal her. The roads we travel on in Honduras are pretty rough and she needs God's healing touch. Thank you.

I am grateful to the Lord the way He supplies for my trips. I received a box of around 300 reading glasses to give out to the many who cannot read because of their need for these glasses. There are many old people who have told me that they have not been able to read their Bibles and now they can. What a blessing these glasses are. I am working on getting vitamins and medicines to treat over 800 people. I need funds for my ticket also and I share this

need of \$870.00 for the ticket and \$2000.00 for the medicine. Thank you for your prayers and any help you can be to get me back into Honduras.

I asked Victor if he had any ideas or dates about our caravan trips for next year. He gave me the following dates that would work out for him. Feb.8-16, June 6-14, Oct. 10-18. I am getting these dates out earlier than I usually do to give you a chance to see where you might fit in to join me in getting the Gospel into Honduras. I would like to make a trip to Ecuador in July but no dates are confirmed yet. So pray about how you can get involve with this exciting outreach to Honduras. I was reading in Revelation 20:15 in my devotions 'And if anyone's name was not found written the book of live, he was thrown into the lake of fire.' Does this not motivate or persuade us? Don't let apathy dim our vision of the lost. We don't have a lot of time left so let's do our part in getting the Hope of the world, Jesus, to a lost world.

Thank you for your love, prayers, and support. It takes teamwork to get the work done and I thank you for being a part of our team.

Serving an Awesome God together,

Al and Connie
